

INTRODUCTION: [Cyber Solutions Integration Inc.](#),(CSI) is **certified** Department of Veterans Affairs (VA) and Small Business Administration (SBA) Veteran-Owned Small Business (**VOSB**), **HUBZone**, Economically Disadvantage Woman-Owned Small Business (**EDWOSB**), Small Women-Owned and Minority-Owned (**SWaM**), Disadvantage Business Enterprise (**DBE**), **Micro Business** located in Washington D.C. and Northern, Virginia.

CSI is an Information Technology and Engineering (ITE) company that provides Cyber Security (CS), Innovative Management and Consulting Services to the Intelligence Community (IC), Department of Defense (DoD) and State Governments.

CSI also has fully licensed, Board-Certified Healthcare providers that administer comprehensive, safe, and high-quality medical care services, to include **COVID testing**, for our Veterans and Civilian communities.

CSI’s analytical approach, strategic operations and personal commitment to providing individual service to each of our customers is what makes CSI the “missing piece of the puzzle”. Our extensive knowledge and experience allows us to incorporate the right teams to exceed the needs of our customers, while excelling in government standards and utilizing industry best practices.

CAPABILITIES: CSI’s pragmatic management processes, outstanding resources, and focus on the convergence of quality people, technology, policy, and business process ensures CSI achieves and surpasses our clients’ needs.
